Health & Safety Policy

The company, otherwise known as Pestech Pest Control Solutions is committed to the achievement of a high standard of health, safety and welfare at work for any of its employees and anyone who may be affected by their operations. The company will:

1.1 Comply with the spirit and the letter of current Health and Safety legislation, approved codes of practice and authoritative guidance literature.

1.2 Ensure so far as is reasonably practicable, that the Company conducts its undertakings in a manner such that any employees and others on or about the premises are not exposed to risk to their safety or health.

1.3 Encourage staff to co-operate and work together in an endeavour to reach and continually improve high standards in health and safety related matters.

1.4 Ensure that while the Proprietor: Mark Goodman of the company accepts his legal and moral responsibility for health and safety at work, any employees accept the responsibility placed on them by the Health and Safety at Work Act 1974 (Sections 7 & 8). The company will support these endeavours by:

- Providing a healthy and safe working environment
- Identifying and assessing risks
- providing safe systems of work
- Providing information, training and instruction
- Consulting with the workforce
- Providing competent supervision
- Providing personal protective equipment.
- Providing advice and monitoring
- Providing adequate welfare facilities
- Working with competent suppliers
- Abiding by current regulations relating to Control of Substances Hazardous to Health (COSHH)
